Industrial Electrician

Description

Gorman Bros. Lumber Ltd., a division of the Gorman Group, is a modern, progressive sawmill located in West Kelowna, in British Columbia's Okanagan Valley. At Gorman Bros., we believe in our people and believe that the involvement and contribution of each employee is essential to our long-term success. We offer excellent benefits and wages and, most importantly, safe working conditions.

We are accepting applications for **Industrial Electrician** to join our maintenance team. Reporting to the Electrical Supervisor, you will be responsible for troubleshooting, diagnosing, and performing routine maintenance on a large variety of equipment within our plant. The successful incumbent will have proven electrical and mechanical skills, as well as strong familiarity and demonstrated experience with PLC's (Allen Bradley), VFD's and HMI. Preventative maintenance and project work will be a normal part of the roles and responsibilities, so industrial construction experience will be an asset.

Qualifications

- Inter-provincial Industrial Electrician Journeyperson certification
- Minimum of 5 years' experience in an industrial/plant environment
- Strong troubleshooting experience
- Allen Bradley PLC and HMI programming experience, training, and/or certifications preferred
- Experience with VFD installation and setup
- Valid Class 5 drivers' License
- Technical degree in electronics or related field is considered an asset

DESIRED ATTRIBUTES:

- Must be flexible in scheduling with ability to work various shifts
- Team player
- Able to work independently
- Positive attitude
- Champion of safety
